

### Route description

Take the train to Breda and get off at the Central Station in Breda. From here, take the bus towards Zevenbergen (line 119) and get off at the Haverdijk bus stop in Prinsenbeek. Walk back in the direction of the shops (chips stand, pizzeria), and then turn left. Walk all the way to the end of this street. The Prinsenbeek church will eventually become visible (at the market square). The office is located right next door. Enter the first door and ring the bell for number 38, where your appointment is. Someone will come for you. Our office is located on the ground floor.

We are looking forward to your visit.

With kind regards,

W.F. Schovers
